

# Check availability any time you want – WefaStore is always open.

Call ups, request for offers, additions to offers because something else has come to mind – for many, a personal inquiry through Sales is too time-consuming. No wonder that popularity of our [WefaStore](#) online service is growing.

To provide you, our customer, with swift and reliable support during your procurement process stage: This is the WefaStore's objective. All articles from our diverse standard program are available around the clock, and can be ordered directly from the warehouse:

- Semi-finished products made of St 1000, St 500, St 6000 AST, A4, A4 G, A4 FQ 1000, St 9000 MOS<sup>2</sup>, CeraFlex and continuously more grades of our supply program
- Rods made of St 1000
- Products for materials-handling technology and automation, such as chain guides, belt guides, steel C profiles, and wear strips

A clear structure, easy-to-use search filters, and completely targeted at user friendly application: In WefaStore from Wefapress, just a few clicks will take you to the right product. The immediate check on the availability of our standard articles allows you efficient and swift planning, because you know right away if we have the product you need in stock. Very quick, convenient, and clearly laid out. This reduces the offer phase to a minimum and allows you to order directly.

**Are you new to the WefaStore?** Register via the [new customer registration](#)! We will activate your account and e-mail you your personal data for the log-in. Then you can immediately access and order from the inventory.

**Do you need a price?** We would be happy to provide you with a price list – just contact your [customer service representative](#).
